CLARA FADDA

Dual-degree Engineering-Management student (Pôle Léonard de Vinci, class of 2027) — seeking a 22-to-26-week internship (February–July 2027) in project management and product development.

+33 7 83 58 96 58 | cl.fadda@gmail.com | 78360 Montesson, France | Portfolio

EDUCATION

ESILV, Engineering School, Pôle Léonard de Vinci *2022 – 2027*

- Second year of Master's in Creative Technology – digital innovation, AI, UX/UI, and technology prototyping, project management.

EMLV, Management School, Pôle Léonard de Vinci *2022 – 2027*

- Second year of Master's in Marketing & Management.

UVic, University of Vic, Spain *September 2024 – January 2025*

- International exchange semester, courses taught in English.

PROFESSIONAL EXPERIENCE

Aerow SAS – Intern, Anti-Fraud Project *April – July 2026*

- Autonomous leadership of an R&D project (scoping, iterations, deliverables).
- Design and development of a deep learning pipeline (CNN, segmentation, Transformer, VLM) for document forgery detection.
- Deployment of a full-stack web demo (FastAPI) locally and ONNX export.
- Technical decision-making backed by comparative experiments.

V.I.I ORIGIN Group – Intern, Software & AI Innovation Project *June – July 2024*

- Development of a voice assistant and its features.
- Applied research in NLP, NER, and analysis of AI solutions (Kyutai).

PROJECTS

AI / Computer Graphics Projects *2025 – 2026*

- Real-time handwritten digit recognition (MLP/CNN, WebGPU).
- Interactive 3D scene editor (ray marching, WGSL, WebGPU, UX/UI).
- Local multi-agent LLM literature review writer.

Kickstarter Campaign *September 2025 – April 2026*

- Design of a folded French leather origami wallet, launched via a Kickstarter campaign, funding goal reached at 350%.

EXTRACURRICULAR INVOLVEMENT

Pulse Student Union, Pôle Léonard de Vinci – Treasurer *since October 2024*

- Management of budgets and treasury (€300,000).
- Organization of student events.
- Negotiations with vendors.

Slide Session Ski Association, Pôle Léonard de Vinci – Treasurer (2023-2024) and Deputy Treasurer (2024-2025) *2023 – 2025*

- Sponsor sourcing and management for the 2023, 2024, and 2025 university ski world championships.
- Organization and supervision of a ski trip for 170 students.

Avenir APEI – Volunteer *2023 – 2024*

- Volunteering in a residential facility for people with mental disabilities.

SKILLS

Project management: Budget management, team and event coordination, partnership sourcing, Design Thinking (certified).
Tech & data: Python, C#, SQL, JavaScript, HTML.
AI / Machine Learning: NLP, NER, CNN, MLP, Transformer, VLM, ONNX.
Computer Graphics: WebGPU, WGSL, ray marching.
Tools: Figma, Microsoft Office 365, GitHub, GitLab, Kaggle, FastAPI, Ollama, PDF.js.
Hardware & prototyping: CAD (SolidWorks, Fusion), KiCad, 3D printing, laser cutting.

LANGUAGES

English: B2+ (TOEFL ITP)
Spanish: B1.

INTERESTS

Skiing: University World Championships (2023–2026).
Cheerleading: Participation in the 2026 European Championships.
